Chapter 10   Academic Warning

Article 53 (Academic Warning) A student who has an average GPA of 1.5 or less for each semester during the period of attendance shall be subject to academic warning, wherein the fact shall be notified to the corresponding student and the guardian before the start of the next semester and be listed on the awards and punishment record of the school register. However, academic warnings may not be issued for the graduation semester.

Article 54 (Disenrollment) A student with a total of three or more academic probation accumulated during the period of attendance shall be removed from the school register of this University. <amended on Jan. 1, 2010> <amended on Mar. 1, 2015>
