Chapter 11 Awards and Reprimands

Article 47 (Semester Award) A student who is of exemplary conduct and has excellent academic records or may serve as an example for others shall be awarded.

Article 48 (Disciplinary Action) ① A student indicated by any of the following clauses may be subject to disciplinary action.

1. The student is deemed to exhibit poor conduct without indication of the possibility for improvement.

2. The student is deemed to have poor academic records without indication of the possibility of academic achievement.

3. The student is frequently absent from school without permissible reason.

4. The student obstructs academic order or breaks or damages the facilities of the school.

5. The student violates the regulation related to school regulations and disciplinary actions.

② Reprimands are classified as follows: disciplinary confinement, suspension of attendance (for either a definite or an indefinite period), removal from the school register.
