Chapter 14 Completion of Courses

Article 67 (Completion of Course) ① The course to complete according to Article 28 of School Regulations shall refer to the course of the school year to complete.

② If a transfer student, return student or a readmitted student cannot complete the course based on the admitted year due to the change of the course, the student must complete the opened course according to the course schedule of the year that the student seeks to study.

③ Community services may be recognized as General Education credits. <Sep. 1, 2011>
