Chapter 14 Public Lecture

Article 58 (Public Lecture) This University may operate public lectures in order to supplement knowledge required for practice or research and the application of knowledge.

Article 59 (Establishment of Public Lecture) Subjects, period, location, qualification, quota and other matters of the public lectures shall be stipulated and announced by the President for each start of the class.

Article 60 (Tuition) The University may charge a tuition corresponding to the actual expense to attendees of the public lecture.
