Chapter 15 Faculty Council

Article 61 (Faculty Council) The University shall operate the Faculty Council in order to review important matters related to the undergraduate program of the University.

Article 62 (Organization) The Faculty Council shall be composed of faculty staffs of assistant professors or of a higher level. <amended on Sep. 1, 2012>

Article 63 (Convocation) The Faculty Council shall be convened and chaired by the President.

Article 64 (Review Matters) ① The Faculty Council shall respond to the consultation requested by the President and review matters as described below:

1. Matters related to admission (including change of major, transfer and readmission), graduation, or promotion

2. Matters related to student guidance, awards and punishments

3. Matters related to examination

4. Other matters submitted by the President

② The Faculty Council shall pass a motion by a majority vote by the majority attendance of the enrolled members, and shall be adjourned for equal number of votes.
