Chapter 16  Graduation Standard

Article 82 (Graduation Standard) The graduation standard is as follows.

1. The registered semester must be more than eight semesters in four years. However, early graduation is excluded from this clause.

2. The acquired credit must be more than total 130 credits. However, Architectural Design Major (from class 2004) should acquire 165 credits, Department of Biomedical Laboratory Science, Department of Nursing Science, Department of Radiological Science, Department of Dental Hygiene, and Department of Occupational Therapy should acquire more than 140.
