**Chapter 17 Early Graduations by Ability**

**Article 83 (Qualification) ①** Students expected to graduate early by his/her ability must have reached the graduation credit by having completed more than six semesters, and having a GPA for total completed credits of 4.3 or higher. However, if there are credits by completing the course twice, credits acquired by completing the summer or the winter semester, the student shall be excluded this clause.

② Transfer students and re-admitted students cannot be a candidate for early graduation.

③ A person seeking for early graduation by ability must submit the early graduation application form one week before the start of the final semester to the Dean of Academic Affairs and gain the approval by the President.
