Chapter 20  Readmission

Article 88 (Candidate) Readmission is permitted for students corresponding to each of the following clauses.

① An expelled student according to Article 26 of School Regulations.

② A dis-enrolled student according to Article 27 of School Regulations.

Article 89 (School Year) A student shall be readmitted as the equivalent major as upon disenrollment in principle.

Article 90 (Period) A student may be permitted for readmission after one semester has passed from the disenrollment date.

Article 91 (Procedure) A student seeking for readmission must gain the approval from the major Department Chair, Division Dean, Dean of Academic Affairs and the approval by the President.

Article 92 (Recognition of Credit) ① In principle, credits acquired during the period of attendance shall be recognized. However, if the student is re-admitted a year below the student’s school year, credits acquired during the lowered year and semester shall be cancelled.

③ The curriculum applied after re-admission shall be the year and the semester upon re-admission.
